

TURKISH ACADEMY OF SCIENCES

# 2020 TÜBA ACADEMY PRIZES

## NOMINATION DEADLINE

# 29 MAY 2020

TÜBA Academy Prizes are annually awarded to the nominated scientists in three categories of sciences namely Basic and Engineering sciences, Health and Life sciences and Social Sciences and Humanities.

Original, leading and path-breaking works

Academy Prize in Basic and Engineering sciences is designated as the Turkish connection prize for this year.

Nominations are made by TÜBA members, academies and inter-academy organizations with which TÜBA is in cooperation and other science institutions and scientists invited as nominators.

The nominees are evaluated by Prize Committees composed of TÜBA members and renowned scientists.

2019 Prize Laureates:  
Social Sciences and Humanities: F. Jamil Ragep of McGill University,  
Basic and Engineering Sciences: Adrian Bejan of Duke University

TÜBA Academy Prizes are open to all scientists.
