

Call for Joint Research Project Proposals

Identification information

Partner country:	TURKEY
Partner organisation:	THE SCIENTIFIC AND TECHNOLOGICAL RESEARCH COUNCIL OF TURKEY (TÜBİTAK)
Programme:	Mobility Plus Projects
Period:	2017 - 2019

Legal framework

The call is based on the Protocol on Cooperation in Science and Technology of the year 2010 between the Czech Academy of Sciences (hereinafter referred to as CAS) and the Scientific and Technological Research Council of Turkey (hereinafter referred to as TÜBİTAK), and in accordance with art. 2 par. 2 of the Act No. 283/1992 Coll., on the Czech Academy of Sciences, as amended, and art. 3 par. 2 of the Statutes of the Czech Academy of Sciences.

Basic definition

Objectives

- Improvement of scientific cooperation between both countries;
- Stimulation of involvement of young researchers and Ph.D. students;
- Support of research teams aspiring to cooperate on large international projects in the future;
- Enabling the use of technical equipment and complementary techniques and methods for the mutual benefit of both institutions.

Eligibility criteria

Proposals from **all research fields** are accepted.

Project duration is **3 years, i.e. 36 months**; extension beyond this period is not permitted.

Project proposals can be submitted:

- On the Czech side researchers from the CAS institutes (<http://new.avcr.cz/en/about-us/cas-structure/research-institutes/>);
- On the Turkish side, any recognized university, research centre and private company.

On the Czech side:

In case an applicant submits more than one project proposal within one call, only one of them can be funded. Second application might be submitted only after the end of the first project's implementation.

Only two projects realized by the same research teams can be funded.

An applicant from **the Turkish side** can file only one application in a given call period.

Research team

Each research team consists of:

- One principal investigator (senior or junior researcher);
- One or more co-investigators.

Research team members are divided into four categories:

- Senior researchers (5 or more years after receiving PhD);
- Junior researchers – postdocs (less than 5 years after receiving PhD);
- PhD students;
- Others (e.g. engineers, technicians).

On the Czech side:

- All members must be employees of the CAS institutes.
- Out of the whole team, at least 1/3 must be junior researchers or PhD students.

On the Turkish side, the research team consists of:

- One principal investigator;
- Researchers and
- Scholarship holders

Financial conditions

Financial contributions shall be calculated and provided in compliance with the valid national legislation and internal regulations of the partner organisations.

Up to 3 projects shall be selected for funding.

On the Czech side:

- Financial contribution shall be provided by the CAS towards the costs of the Czech research team.
- Maximum financial contribution shall be CZK 250,000 for 1 year
- Min. 50% of the approved financial contribution shall be used to cover mobility costs (travel, living expenses)
- Non-eligible costs are: personnel, large equipment (exceeding 40,000 CZK), overheads
- The course of project implementation will be monitored through annual and final reports including use of financial means and justification of costs.

On the Turkish side:

- Financial contribution shall be provided by TÜBİTAK
- Maximum financial contribution is 360.000 TL for 3 years (including VAT and except for overhead costs and project incentive premiums)
- Eligible are:
 - Mobility costs: travel, living expenses
 - Research costs: consumables, services, equipment and personnel costs
 - Non-eligible costs are: Costs related to infrastructure

Project proposal submission

Project proposals **must be submitted in parallel to both partner organisations.**

On the Czech side:

- The form of project proposal is available for download on the CAS website in the International cooperation section: http://int.avcr.cz/sd/novinky/hlavni-stranka/news_0002.html.
- The project proposal must be submitted to the CAS by the institute within the above stated deadline (the date of posting is decisive), namely:
 - By mail in one copy (printed single sided in the A4 format, signed, stamped and unbound), envelope labelled „TÜBITAK – Mobility Plus Projects 2017-2019“, addressed to the contact person (see below); and simultaneously
 - Electronically (one file copy - a completed form (in Word format) for administrative purposes) to the e-mail address of the contact person (see below).
- Proposals submitted in other than the above described way may be rejected on formal grounds.

By submitting project proposal, the applicant:

- Agrees to processing of personal data within the meaning of the Act No. 101/2000 Coll., On Personal Data Protection, as amended;
- Declares that the information he/she stated is accurate, true and complete and that he/she is aware that if otherwise they will face all the legal consequences;
- Declares that, if approved, he/she will during the realization of the project follow:
- [The Code of Ethics of researchers at the Czech Academy of Sciences](http://new.avcr.cz/cs/o-nas/pravni-predpisy/eticky-kodex-vyzkumnych-pracovniku-v-av-cr/) (<http://new.avcr.cz/cs/o-nas/pravni-predpisy/eticky-kodex-vyzkumnych-pracovniku-v-av-cr/>);
- [The European Charter and Code for researchers](http://ec.europa.eu/euraxess/pdf/brochure_rights/kina21620b1c_cs.pdf) (http://ec.europa.eu/euraxess/pdf/brochure_rights/kina21620b1c_cs.pdf)
 - Recommendations of the International Commission "Self-Control in Science" (Recommendations of the International Commission on Professional Self-Regulation in Science) (http://www.dfg.de/download/pdf/dfg_im_profil/reden_stellungnahmen/download/empfehlung_wiss_praxis_1310.pdf)

On the partner side (for information only):

The project proposal must be submitted **to the TÜBITAK**. Conditions for submission and relevant form/s are available from the website of the TÜBITAK: <http://www.tubitak.gov.tr>

Proposals submitted in other than the above described way may be rejected on formal grounds.

Evaluation and Selection

Consists of a two-step process:

- At the national level, each partner organisation evaluates submitted proposals based on its internal rules and prepares a ranking list.
- At the international level, both partner organizations exchange their ranking lists, merge them, negotiate the final ranking and approve the proposals selected for funding. Total number of projects approved for funding is dependent on the financial possibilities of both partner organizations.

Criteria for evaluation of project proposals

- **Quality of the project:**
 - Scientific relevance (concept, innovative character in relation to the state-of-the art, quality of objectives);
 - Methodology, work plan of activities and outputs;
 - Impact of project results, their dissemination and use.
- **Quality of research teams:**
 - Composition and expertise of research teams;
 - Complementarity in terms of content, methodology and equipment; previous cooperation and outputs;
 - Justification of collaboration needs.
- **Active involvement of junior researchers and students.**
- **Added value and broader impact of bilateral cooperation.**

Ex-post evaluation

The project must achieve at least one joint result (for definition see Methodology of Evaluation of Research Organizations and Evaluation of Finished Programmes (<http://www.vyzkum.cz/FrontClanek.aspx?idsekce=754005>), otherwise the research team members will not be eligible to submit project proposal for period of 6 years.

Schedule

July 20, 2016	Announcement of the call for project proposals
