*The President*

Prot. n. 11/P  
Turin, 08<sup>th</sup> January 2019

To the President of the Academy

This year the Academy of Sciences of Turin will award the following Prizes:

- The “**Angiola Gili and Cataldo Agostinelli International Prize**” amounting to € 10.000, to a scientist who has achieved distinction in the field of Applied Mathematics to Physical or Natural Sciences or Engineering during the last ten years. The nomination must reach this Academy by the **31<sup>st</sup> March 2019**.
- The “**Ferrari Soave International Prize**” amounting to € 10.000, to a scientist who has achieved distinction in the field of Cellular Biology during the last ten years. The nomination must reach this Academy by the **15<sup>th</sup> April 2019**.

In accordance with the rules of the Prizes I am pleased to invite you to present a nomination. The nomination must be accompanied by an exhaustive statement of the reasons for proposing the candidate and by a short *curriculum*, together with a list of the most important publications.

Thanking you in advance for your kind attention, I remain

Yours faithfully

THE PRESIDENT  
Prof. Massimo Mori
